FROM THE PRINCIPAL

Dear Parents and Community Members,

Welcome to the 2017-2018 school year! This 2016-2017 annual report card issued by the Oregon Department of Education provides a comprehensive picture of Vale Elementary School. It offers a summary of last year's student demographics, performance on state assessments, and a summary of the offerings at our school.

We are continuously seeking to improve and are pleased to share that the percentage of students who met or exceeded state benchmarks in English Language Arts, Math, and Science has increased since 2015-2016.

At Vale Elementary, we believe in educating the whole child. In addition to focusing on increasing academic performance, we place

an emphasis on developing positive character traits. This includes teaching students what it means to be respectful, responsible, fair, caring, trustworthy, and good citizens.

I encourage you to become involved in your child's education by assisting with homework, attending school events and conferences, and communicating with your child's teacher. Please feel free to contact me if you have any questions or concerns regarding your child or the school. I look forward to a positive and rewarding 2017-2018 school year!

Thank you,

Principal | Alisha McBride

STUDENTS

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.

SCHOOL PERFORMANCE

Performance of students enrolled in the school for a full academic year

Did at least 95% of the students at this school take required assessments? Yes No, Interpret Results with Caution
Participation rate criteria are in place to ensure schools test all eligible students.

The Smarter Balanced and alternate assessments have four performance levels where levels 3 and 4 are meeting the standard for school and district accountability.

2014-15 was the first operational year of the new English language arts and mathematics assessments.
